The results revealed that IBARRA-GONZALEZ is a citizen of Mexico who has been previously removed from the United States. IBARRA-GONZALEZ was then served with a Reinstatement of a Prior Order of Removal, Form 1-871.
14. The aforementioned arrest and subsequent detention was an administrative, non-criminal action made pursuant to the authority found in sections 1357, 1225, 1226, and/or 1231 of Title 8, United States Code to arrest and detain

any alien entering or attempting to enter the United States, or any alien present in the United States, who is reasonably believed to be in violation of any law or regulation regulating the admission, exclusion, expulsion, or removal of aliens.

15. Review of records from the Alien File (A# XXX XXX 059) for IBARRA-GONZALEZ and queries in Department of Homeland Security databases confirm that no record exists of IBARRA-GONZALEZ obtaining permission from the Attorney General or the Secretary of the Department of Homeland Security to re-apply for admission to the United States following his removal on June 27, 2018.
16. Based on the above information, I believe there is probable cause to conclude that IBARRA-GONZALEZ is an alien who was found in the United States after removal, without the express permission from the Attorney General of the United States or from the Secretary of the Department of Homeland Security to re-apply for admission into the United States in violation of Title 8, United States Code, Section 1326(a).
